HOW YOUR DOLLARS ARE PUT TO WORK

BUILDERS CIRCLE:

Help us to continue to build giant sculptures out of plastics: OCTOPUS, WHALE, CRAB, BLUE JELLYFISH, TROPICAL FISH, ANEMONES, LOBSTER, CORAL REEF, TUFTED PUFFIN, URCHIN, and more!

\$5 = two spools of stitching wire

\$10 = 2 sets of drill bits

\$25 = a large spool of heavy wire

\$35 = snacks and coffee for volunteers

\$40 = roll of chicken wire

\$50 = scissors, saw blades, and sharpening

\$75 = power tool support

\$100 = roll of ¼ inch hardware cloth

\$125 = workshop electricity, heat and water bill

\$250 = supports community workshops, and trash washing

\$500 = steel for animal framework

\$750 = all wire, mesh and steel for one large animal sculpture

EDUCATORS REEF:

Help us educate the public about marine debris and how they can make a difference. Support outreach workshops, and publication of handouts. Support the creation and publication of the Washed Ashore Curriculum; a K/12 - College. Multi-disciplinary, Standards linked book and DVD.

\$100 = supplies for outreach workshops

\$200 = graphic design and exhibit support

\$500 = post card printing

\$1000+ = printing of outdoor signs and banners for touring exhibit

\$1,500+ = marine debris and exhibit brochure printing

\$2,000+ = handouts and brochures for thousands of school children

\$5,000+ = acknowledged sponsorship of the Washed Ashore Curriculum

\$10,000+ = acknowledged sponsorship of accompanying Educational DVD
